Continuing Education Credits

Pros and Cons: In-person v ZOOM Mediations:

What are the differences for in-person mediation and ZOOM mediation? How are they similar? What is the most preferred method overall for mediators?

Pro Se Parties and ZOOM mediation:

What are the issues most Pro Se parties have when attending a mediation via ZOOM? How can their identity be proven and how does the mediator protect each parties confidentiality? What about the fees Pro Se parties are unwilling to pay, how can that be resolved?

This 3 hour course will allow attendees to discuss in-person and ZOOM mediations. How each method contributes to the mediation process. Whether it is negative or positive. Attendees will also discuss Pro Se party struggles with ZOOM and how best to handle these struggles appropriately.

*** Please remember to come prepared to pay for the training and CLE separately.

Friday December 2, 2022 9:00-12:30 pm
